Government Procurement Card transactions

The code requires that local authorities must publish details of every transaction on a Government Procurement Card.

For each transaction, the following details must be published:

- Date of the transaction.
- Local authority department which incurred the expenditure.
- Beneficiary.
- Amount.
- Value Added Tax (VAT) that cannot be recovered.
- Summary of the purpose of the expenditure.
- Merchant category.

Shedfield Parish Council does not use a Government Procurement Card and therefore has no information to publish.
